

Vacancy for Entry-Level Site Manager/Engineer.

Recruitment Company: Globalclique HR

Job Vacancy: Entry-Level Site Manager/Engineer

Location: Wuye, Abuja

Job Type: Full-Time

Job Description:

□

We are seeking a motivated and detail-oriented Entry-Level Site Manager/Engineer to join our dynamic team in Wuye, Abuja. The successful candidate will oversee on-site construction activities, ensure projects meet specifications, and assist in maintaining a safe and efficient working environment.

Requirements:

Ability to read and interpret technical drawings and specifications.

Strong problem-solving skills and attention to detail.

Basic knowledge of construction processes, materials, and health & safety standards.

Good communication and interpersonal skills.

Proficiency in using Microsoft Office Suite and other relevant software.

Willingness to learn and grow within the company.

Ability to work under pressure and meet deadlines.

Job Responsibilities:

Supervise and coordinate on-site construction activities.

Monitor project progress and ensure timelines are adhered to.

Ensure compliance with building codes, safety regulations, and quality standards.

Assist in preparing site reports, schedules, and other necessary documentation.

Liaise with subcontractors, architects, and other stakeholders to ensure project success.

Inspect materials and workmanship to ensure they meet project specifications.

Identify and resolve any issues that arise during construction.

Support senior management with administrative tasks related to project management.

Job Qualifications:

HND/Bachelor's degree in Civil Engineering, Building Technology, Construction Management, or related field.

NYSC completion or exemption certificate.

Relevant work experience (e.g., internship or industrial training) is an advantage but not mandatory.

Professional certification is a plus.

How to Apply:

Interested candidates should send their CV and cover letter to hr@globalclique.net with the subject line "Entry-Level Site Manager/Engineer Application – Wuye"
